The Panolam Difference

Panolam brings you the beauty and richness of our natural world in one of the highest quality ThermoFused Melamine panels available today. Whether your design calls for deep, saturated color, the richness of a fine wood grain or the timeless appeal of stone, Panolam has the decorative surface you're looking for.

Synergy

With a selection of colors and patterns inspired by nature, Panolam TFM panels can be used for an entire project or combined with our matching line of Pionite High Pressure Laminates for a coordinated and unique style.

The Jaeckle Difference

FAST turnaround on any non-stock Melamine in either Panolam or Pionite colors: 2-3 weeks or less!

Low Minimums on non-stock Panolam Melamine colors: 20 panel minimum; may combine thicknesses of same width/length.

80 face minimum (40 sheets 2-sided) on any Pionite color made into Melamine.

Pionite High Pressure laminate available for all Panolam colors; 5 sheet minimum if not in stock.

Family owned, quality products, great service. We're dedicated to your success.

MelaQuinella

MelaQuinella panels offer premium hardwood veneer on one side and thermofused melamine on the other.

Some stock MelaQuinella colors at Jaeckle:

- A Select Hickory/S411 White
- A Plain Sliced Cherry/S411 White
- A Plain Sliced Red Oak/S411 White
- A Rotary Birch/S411 White
- A Rotary Red Oak/S411 White
- A Select Rotary White Maple/S411 White
- A Select Rotary White Maple/S402 Almond

Other benefits:

Our Panoram TFM is manufactured in Oshkosh, WI! PLEASE NOTE WE DO NOT STOCK MELAMINE WITH CANADIAN CORE****4 core types available: Western Core, Eastern Core (Southern), MDF, or ZCore (NAUF = No Added Urea Formaldehyde)

“CARB Phase 1 Compliant! 100% of the Panoram Jaeckle Distributors sells contains a composite wood product that complies with CARB Phase 1 formaldehyde emission standards in CCR 93120.2(a)”
